Digital Marketing Insights Dashboard

- **238 visitors** and **233 sessions** indicate strong website activity during August.
- **Organic Search (51.01%)** remained the leading traffic source, slightly ahead of Direct traffic.
- The **Home Page (170 views)** was the most visited page, followed by **Contact Us (27)** and **Interactive Flat Panel (17)**.
- **“Linus Business Solutions”** generated the highest search-query clicks (18).
- **Recommendation:** Focus on high-performing product pages, strengthen SEO for product keywords, and add stronger CTAs to convert the increased traffic into enquiries.
