

Executive Summary (In Plain English)

This report breaks down how your business performed online during **July 2026**. Overall, your website and social media are actively attracting interested customers. People are finding you naturally on Google, showing clear interest in your billing machines and POS systems, and discovering your brand on Instagram.

1. WEBSITE PERFORMANCE — WHO VISITED YOUR SITE?

68

UNIQUE VISITORS

Actual people who browsed your website this month

84

TOTAL VISITS

Times people came back to look around

145

PAGES VIEWED

Total pages read across all customer visits

How Did People Find Your Website?

Traffic Source	Share	What This Means
Google Search (Organic)	53.03%	More than half of your visitors found you by searching for business solutions on Google.
Direct Visit	46.97%	Nearly half typed your website address directly or used saved links/bookmarks.

What are people looking at most?

Home Page: 68 views (Main entry point for visitors) **Interactive Flat Panel:** 17 views (Highest requested specific product) **Contact Us Page:** 15 views (Strong intent to inquire or reach out) **Other Popular Products:** Self Kiosk Machine (8), Min Swan POS System (5), Touch POS (5), Cash Counting & Billing Machines.

Simple Takeaway & Action Item:

Your website visitors are engaged (over 52% stay and interact). Since 15 people visited the "Contact Us" page, we should add quick "Call Now" or "WhatsApp Us" buttons on the Interactive Flat Panel and Kiosk pages to make converting into paying clients even easier.

2. GOOGLE VISIBILITY — WHAT ARE PEOPLE SEARCHING FOR?

15,000

GOOGLE APPEARANCES

Times your website showed up in Google search results

132

GOOGLE CLICKS

Times users clicked on your link from Google search

20.19%

CLICK RATE

Percentage of searchers who chose your link (Very High!)

Top Search Words Driving People to Your Website:

Search Term (Keyword)	Google Search Demand	What It Tells Us
"Linus Business Solutions"	Highest Clicks	People who already know your brand name are searching directly for you.
"Restaurant POS Software"	84 Search Views	Huge market demand! People are actively searching for restaurant solutions.
"Smart Kiosk"	49 Search Views	High interest in your self-service kiosk machines.
"POS Software for Kiosks"	49 Search Views	Strong potential for software + kiosk product bundles.
"NGX Billing Machine"	48 Search Views	Solid interest in hardware billing machinery.

Simple Takeaway & Action Item:

Your website is showing up in Google 15,000 times! Terms like "Restaurant POS Software" and "Smart Kiosk" have massive view counts. Adding clearer product descriptions and titles will convince more of those 15,000 searchers to click into your store.

3. INSTAGRAM PERFORMANCE — REACHING NEW CUSTOMERS

3,639

PEOPLE REACHED

Unique Instagram accounts that saw your posts

3,080

TOTAL VIEWS

Total video and post views on your channel

20

PROFILE VISITS

People who clicked your profile to learn more

+4

NEW FOLLOWERS

Total audience expanded to 16 followers

Content Shared in July (20 Total Posts):

- **Standard Photo/Graphic Posts (61.2%):** Provided regular brand presence and product updates.
- **Stories (20.4%):** Daily engagement updates for active followers.
- **Reels / Short Videos (18.4%):** Short product demo videos that drive the highest reach.

Simple Takeaway & Action Item:

Reaching over 3,600 people on Instagram with just 20 posts is fantastic! Moving forward, we recommend posting more short demo Reels (showing billing machines and kiosks in action), as video content attracts significantly more buyers on social media.

Summary & Recommended Next Steps for August

1. **Highlight High-Demand Products:** Put Interactive Flat Panels and Smart Kiosks right on the home page so visitors see them immediately.
2. **Capture Restaurant Leads:** Create simple content focused on "Restaurant POS Software" to convert high Google search traffic into customer inquiries.
3. **Video Demonstrations:** Film 15-second videos showing how your billing machines work to post as Instagram Reels.
